**REGISTRATION**  
**AS APPROVED CONTRACTOR**

Dear Sir,

1. This has reference to your application for registration on the above subject.
2. This Depot has evaluated your request and it has been decided to place your firm on the approved list of contractors for a period of three years with effect from 17 Jan 18. Further renewal will be subject to satisfactory performance and your specific request for renewal of registration. All firms applying for registration are to be conversant with the purchase policies, as in the Defence Procurement Manual 2009 and of amended from time to time. Firms should be ready to abide by the strictures laid down therein.
3. Your registration number is **5BRD/3401/2/LGS(Prov) (05/2018)** dated **17 Jan 2018** and is valid up to **16 Jan 2021**, subject to satisfactory performance by your firm which will be evaluated periodically. Poor performance would result in deletion of your firm from the list of approved vendors and discontinuation of future business transactions.
4. Your firm is registered for the supplies/ services of the following:-
  - (a). Air / N2 / O2 Charging Units / Trolleys.
  - (b). Hydraulic Trolleys.
  - (c) Indigenisation development of aircraft ground support equipment.
  - (d). Supply of AGS & Test Rig.
  - (e). Leak Check of Pressurised system.
  - (f). N2 Generation Plants.
  - (g). Portable High Pressure Hydro-Pneumatic Test Pacs.
  - (h). Air & Nitrogen Storage Vehicles / Trolleys.
  - (j). Transfer and Pressurisation of various gasses.
  - (k). Total solution for pressure regulators.
  - (l). High Pressure accumulators & gas bottles.
  - (m). Air operated Liquid Pumps and associated indigenously custom engineered high pressure 'Hydraulic systems' for industrial and special purposes.

- (n). Air operated Gas Boosters Pumps and associated indigenously custom engineered high pressure 'Hydraulic systems' for industrial and special purposes.
- (p). Air operated Pressure Amplifiers and associated indigenously custom engineered high pressure 'Hydraulic systems' for industrial and special purposes.
- (q). Non Lubricated, Oil Free, High Pressure, electric Driven Gas compressors (Air, Breathing Air, Oxygen, Nitrogen, CO2, SF-6, Fuel Gas Hydrogen and assorted Refrigerant gases, for industrial and special purposes.
- (r). High Pressure Ball & Needle Valves, Tube & Pipe Fittings, Gauges, Relief Valves, Check Valves, Filters, Pilot Switches, Chart Recorders, and other piping accessories.
- (s). High Pressure Hydraulic Pressure Generators (Power Packs).
- (t). High Pressure Gas Boosting & Transfer Systems (Air Breathing Air, Oxygen, Nitrogen, CO2, SF-6, fuel Gas, Hydrogen and assorted Refrigerant Gases.)
- (u). Nitrogen Generator & High Pressure charging, filling and metering systems (static & on trolleys).
- (v). Oxygen Generator & High Pressure charging, filling and metering systems (static & on trolleys).
- (w). High Pressure Hydraulic & Pneumatic pressure test systems, all mechanical with chart recorders or fully automated system with computerised control (PLC & SCADA).
- (x). Manual or Fully Automated equipment for hydrostatic pneumatic proof, Leak testing, or flushing of hoses, pipe sections, with or without data logging / automatic generation of traceability documentation.
- (y). Manual or Fully Automated equipment for Hydrostatic Stretch Test & Relieving of pressure vessels, with or without data logging / automatic generation of traceability documentation.
- (z). API 674 & 675 Chemical Injection pumps and pump Skid packages.
- (aa). Chemical Transfer / dosing pumps and pump skid packages and auto switching systems.
- (ab). Hydraulic & Pneumatic Pressure Regulators and auto switching systems.
- (ac). High Pressure Hydraulic / Pneumatic Receivers / Cylinders and Pulsation Dampers.
- (ad). Air, Oxygen & Nitrogen Storage cascades, mounted on vehicles/trolleys
- (ae). High Pressure Gas Injection / Dosing systems for Oxygen, Nitrogen, myriad reactive and passivation gases for industrial & R & D purposes
- (af). Myriad Air Craft Ground support Equipment including hydraulic powering units, Leak check system.
- (ag). High & Low Pressure Hoses with customised end fittings for myriad hydraulic & pneumatic applications.

5. It may be noted that your registration does not guarantee the award of contract nor does it involve addressing tender in every case to your firm.

6. All subsequent changes in the constitution/ address/ functioning/ range of items of your firm should be promptly communicated to this office.

7. You are requested to keep all Trade/ Business/ Technical information etc. received from this Depot as '**CONFIDENTIAL**' and are not to disclose the contracts to any third party.

8. You will not resort to any publicity/ Advertisement of registration with this Depot/ IAF as vendor, without prior permission from this Depot/IAF.

9. Any of the following will render this registration invalid:

(a) Not informing any material change in information furnished at the time of registration, especially relating to technical, manpower, financial status, available facilities or infrastructure in writing within 30 days of such change.

(b) MIS-representation/ Suppression/ Distortion of facts and information provided in the application form/ at the time of assessment.
